Hi Nancy,

I sent the email below to Becky Sawyer. Please confer with Cadmus (w/ cc to Kate) and your schedule and let me know which dates are available. Becky is going to let me know her preference.

Thanks,

David

Hi Becky,

I would be happy to schedule a meeting on the Gunnison UIC permit application. I'm not expecting to be in the Phoenix area until sometime in December, which is quite a ways off, so if you could travel to SF that would be great. I could schedule something on the following dates –

Fri Oct 28th

Wed Nov 2nd (pm)

Tues Nov 8th (am)

Thurs Nov 10th (pm)

Nancy is on leave today, but I'll forward these dates to her and our contractor to see what would

work for them and you can let me know in the meantime what your preference would be. I'll be traveling Mon/Tues of next week, but I am reachable via email and phone.

Thanks,

David

David;

Thank you for providing the comments on the Gunnison UIC permit application. After review and discussion, Excelsior thinks it will be most productive to schedule a meeting with you, your permitting team, and technical reviewers. We will travel to wherever is most convenient for you, or would host it here. Please let me know some potential dates and locations.

As previously discussed, this is a complex project with site specific characteristics that need to be considered to ensure compliance with SDWA/UIC requirements. We are anxious to meet as soon as possible to move this project forward.

Becky
